

MUSIC ARTS GRANT

from California Casualty

Enrich your students' learning with a
Music & Arts Grant. Apply to receive

\$250.00

for your school's program.

The California Casualty Music & Arts Grant was established to provide support for K-12 public schools negatively impacted by reduced budgets.

California Casualty has partnered with education associations for nearly 70 years. We understand the importance of music and arts education for children. As a member of one of our partnering education associations, you can apply for a \$250 grant award for a music or art need at your school.

Keep the creativity flowing with a music
or art grant from us! Apply today!

Music & Arts Grant Terms & Conditions

The California Casualty Music and Arts Grant program will consider grant requests for public K-12 schools whose music and arts programs are in jeopardy or in great need of funding. Requests will also be considered for individual classrooms wishing to integrate music and/or arts projects within school curriculum. Program available in all states except: AK, HI, MA, MI, NY, WI.

The deadline is **June 30** for grant requests to be considered for the fall of the next school year. All grants will be notified of their status by September 30.

Applications must be submitted by an active employee of the public K-12 school for which the grant is being requested. The applicant must be a current member, or referred by a current member, of the state NEA affiliate or one of our other participating educator associations including: ACSA, CASE, COSA, KASA, NASA, UASSP. Please advise your Principal of your grant request. California Casualty will be in contact with them in regard to your application status.

Not all schools are guaranteed to receive a grant award. A selection committee will review all applications and determine award recipients. All applicants who submitted their application by June 30 will be notified of their status by September 30 of the same year. All other applications will be considered for an award during the next program cycle. Grant award amounts will be \$250. Checks will be made payable to your school.

Awards must be used to subsidize the music or arts program/classroom project identified on the grant application and cannot be used for individual student awards, construction projects, organizations whose primary purpose is fundraising, or other school programs.

Only one grant will be awarded per school per academic year and schools will not be awarded two consecutive years.

California Casualty requires permission to publish the details of the award, school name and applicant's name and photo in promotional materials and media.
